Spring Newsletter

A belated Happy New Year to all our readers. This newsletter is for all our previous, current and future learners. Thank you all for your support at this particularly difficult time. As we look forward to getting out and about again, we thought it was an appropriate time to update you on what will be happening at JBHtraining Ltd. There is some good news from the Government about business openings and us all being allowed to cautiously get out and about. Spring is in the air, the sun is shining, flowers are beginning to bloom and the lambs can be heard in the fields already. All these lift our spirits and add to our feeling of wellbeing.

It is also time for you to consider your CPD status. I am sure it has been difficult for you to consider this over the last year, but it is vitally important that you review your Continuing Professional Development.

- ✓ Have your clients contacted you asking for different treatments?
- ✓ Have you considered diversifying your portfolio?
- ✓ What is on your wish list for the coming months?
- ✓ Can we here at JBHtraining Ltd help you reach your goal?

We do not plan to open our premises before the week commencing 19th April 2021, but we are available to offer online support. As usual, please contact Jennifer for any therapy related enquiries, theory work submission or general advice and guidance. Contact Sue for any education and training related enquiries.

If there is any support we can offer to you here at JBHtraining Ltd, please do not hesitate to get in touch. We were really pleased to hear that the self-help massage videos helped people in lockdown and several therapists sent the videos on to their clients to view in the comfort of their own home.

If you have any queries about PPE, risk assessments, QR codes or close contact working at this time, please get in touch with us. Please also review the government guidelines which can be found at:

Have you considered asking about our training programmes at your site? Would you like us to offer you and your team bespoke training on a group basis?

In the News

Jennifer provided a 'remote' talk to The Chase Malvern high school students for their Careers Fair discussing the diversity of roles from cruise ships to media makeup, hopefully inspiring the next generation of therapists!

In 2020 JBH Training won 'best massage training school' for central England region in the Prestige Awards.

This week on International Women's day Jennifer received a teaching excellence award for 'quality teaching' as a 'female role model'. She is "inspired by the female pioneers in education and of course her students".
